Special Events

The Natural History Museum of Los Angeles County offers the most unique spaces and environments to hold celebratory and corporate events in Los Angeles. Imagine the possibility of hosting an event here at the Museum – an evening reception, a sit-down dinner, a corporate affair. Whatever you can imagine, we strive to make a reality.

Rotunda

250 standing, 120 seated

Lined with marble columns and crowned by a stained glass dome, the room is also the home of the very first piece of public art funded by Los Angeles County: a Beaux-Arts statue entitled "Three Muses," which represents the disciplines of Art, History and Science. The Rotunda is the perfect space for wedding ceremonies and any kind of private or corporate reception. With glass doors that look out over Exposition Park, it is the ideal space to be used in conjunction with the Exposition Rose Garden.

Grand Foyer

250 Standing or 100 Seated

Complete skeletons of a Tyrannosaurus Rex and a Triceratops- the "Dueling Dinosaurs"- command the center of the Museum's Grand Foyer. Dramatic architectural details include 40-foot ceilings, twin half-domes, marble columns, and travertine floors. Gala exhibition openings at the Museum are typically held here, with buffet-style entertaining. The Grand Foyer is the ultimate setting for cocktail receptions, corporate events and celebrations.

North American Mammal Hall

500 Standing or 300 Seated

A herd of bison outlines against a blue Midwestern sky forms the dominant tableau in the North American Mammal Hall. Slightly larger than the African Mammal Hall, the room has an expansive feel to it, appropriate to its namesake. Used for receptions, lectures or dinners, and in conjunction with the African Mammal Hall and the Grand Foyer, the North American Mammal Hall offers inspiring possibilities.

African Mammal Hall

500 Standing or 280 Seated

World-famous and much-beloved, the African Mammal Hall's dioramas display white elephants, water buffalo and giraffe in their natural environments. The hall features a cork floor that provides the perfect surface for dancing. Create your next adventure in the African Mammal Hall!
